Dear Requester:

Reference is made to your Freedom of Information Act (FOIA) requests, originally submitted to the United States Secret Service (Secret Service) on August 15, 2018, for information pertaining to:

20181324: Copies of all agency emails containing the non-case sensitive terms "Qanon", "Q anon", "The Great Awakening," or "Q Clearance Patriot;"

20181327: Any reports about Jeffrey Boyd, charged with allegedly making threats against Donald Trump and who also made references to Qanon prior to his arrest; and

20181328: Any records relating to the incident of arrest in Arizona related to Qanon – Matthew Phillip Wright (parked his self-made armored car on the bridge next to the Hoover Dam).

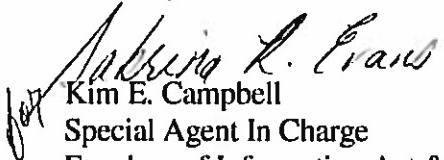

In response to your requests, the Secret Service has conducted a reasonable search for responsive documents. The Secret Service searched its main indices, and any responsive records identified in connection with that search have been located and forwarded to this office for review and a disclosure determination. They will be processed in accordance with the Freedom of Information Act, 5 U.S.C. § 552, and mailed to you upon completion.

As referenced in our initial response, dated September 13, 2018, due to the increasing number of FOIA requests received by this office, we may encounter some delay in processing your request. However, we are processing your request as expeditiously as possible.

Your requests have been assigned FOIA File Numbers 20181324, 20181327, and 20181328. If you have any questions, would like to discuss this matter, or check the status of your request, please contact this office at (202) 406-6370.

Please refer to these file numbers indicated above in all correspondence with this office.

Sincerely,

A handwritten signature in black ink, appearing to read "Kimberly L. Evans".
